COUNCIL ACTION ON POLLUTED WATER

Of the 33 firms and organisations in the Altona Shire which could be affected by the augmenting of Melbourne's water supply with the supply from the Maribyrnong River almost all have contacted the shire office and expressed agreement with the council's views and concern in the matter.

The council is concerned at the suggestion to the Parliamentary Public Works inquiry into Melbourne's water supply put forward by the State Rivers and Water Supply to use the polluted waters of the Maribyrnong River. The Melbourne and Metropolitan Board of Works is opposing this scheme.

A number of firms have written to or are undertaking to place evidence before the inquiry concerning the problems which the firms will find in treating hard water.

Neighbouring councils, including the Shire of Werribee, have been advised of the action taken by the council in this matter. The council has also applied to the Committee for a time to give evidence but a date has not yet been set.

At the last council meeting Cr. J. J. Ginnifer reported to council that on that day he had been to a meeting of the Board of Works. During the afternoon the Board screened a film showing the consequences of wrong planning of the Colorado River in America. The film showed what could happen to industry and irrigation when a river is not used to its wisest utility.

The shire president (Cr. A. W. Bond) and secretary (Mr. J. W. Waters) also looked at the film with a view to helping them compile evidence against the Maribyrnong scheme.

Cr. Bond said the film was very educational and showed him what could happen through pollution of our water supply. He said any pollution is undesirable, industry looks for pure water, we must keep our water pure.

Cr. S. McIntosh suggested the council should try to screen the film and ask all neighbouring councils and industries to view it. He was sure it would bring a full house and he moved a letter be sent to HSV7 inquiring on the availability of the film.

Cr. W. G. Cresser has seen the film and said it opened his eyes, he suggested asking HSV7 to repeat it to enable a wider public viewing.

Cr. H. W. Lee pointed out that most of them never have time to view television. He said he would like to see it on in a hall and all in attendance to attend.

It was then agreed to contact the television station

FLY THE FLAG

Monday, June 11, is the day set apart for the celebration of the Queen's Birthday.

Shire President Cr. A. W. Bond, hopes that all establishments and citizens in a position to do so will honour the day by raising the flag.

An isolated flag at the Shire Office on Sunday, June 2, commemorated another event—the Queen's Coronation.

W.F.L. RESULTS ON REPORTED PLAYERS

J. Reidy, I.N.F., reported for allegedly striking B. O'Brien. Werribee was found guilty and suspended for one week.

The case against G. Ewen, Altona, who was reported for allegedly striking A. Christo, of Werribee South, was dismissed.

Delay On Civic Offices Penalty Clause to be Invoked?

A letter should be sent to the contractors building the civic offices and kindergartens in the shire drawing attention to how far behind schedule they are with the buildings and stating that the council is prepared to invoke penalty clauses, said Cr. H. W. Lee at the last council meeting.

Cr. Lee said in both cases the contractors are way behind schedule.

The expiry date for the civic offices was March 22, 1963, which makes them three months late, and Cr. Lee said information suggests they will be a further three months before finishing. He said he had been advised that the architect had repeatedly

warned the contractors.

But, said Cr. Lee, because of council commitments they will not tolerate any extension of time for the civic offices after July 31, 1963. The building must be completed by then.

Cr. Lee said the same applies to the kindergartens. It was originally planned to open them on a certain date and staff were hired.

The penalty clauses must be invoked, said Cr. Lee.

Cr. W. G. Cresser said the contractors for the civic offices had asked for 38 weeks and this was the time granted. Last Christmas it had been anticipated that the staff would have moved into the offices during April but they are still in the old building.

Cr. S. McIntosh agreed the letter should be sent to the contractors and seconded Cr. Lee's motion which the other councillors readily endorsed.

TRANSPORT INQUIRY, SURVEY FORMS

The Altona Shire Council has issued 1071 railway survey forms to all householders in the area west of and including Rayner Street, Altona.

The object of these forms is to enable the council representatives presenting evidence to the Parliamentary Public Works Committee to give more accurate replies to certain questions. The Committee is inquiring into the need for the Altona railway line to be extended westwards.

Aerial photographs have shown that there are 1133 houses and shops occupied or in the course of erection in the area but it appears excluding shops and unfinished houses there are definitely 1071 householders in this section.

An officer of the council has been collecting the survey forms but he has had difficulty in finding some residents at home. The council appeals to householders still holding the forms to assist by posting them to the shire office.

P.R.A. Treats Elderly Citizens

Above are tired but happy members of the Altona Elderly Citizens Club returning from an outing provided by Petroleum Refineries (Australia) Pty. Ltd., on Monday of last week. With them is Mr. Jack Foksett, company spokesman. After lunching at Frankston the group travelled through the Dandenong Ranges and arrived home in gay mood. All are truly grateful for the company's continued interest in their welfare.

VALE POPE JOHN

On behalf of our readers, we extend to the Catholic community sympathy with their loss in the passing of Pope John XXIII. His character and ideals were such as to gain him universal respect. The world is a loser in the death of one who did so much for his Church and the causes of peace and social justice.

NEW UNDER 15 COMPETITION FOR W.F.L?

The formation of a Reserves competition and an Under 15 competition was discussed by delegates at the meeting of the Werribee Football League last Friday night.

This resulted from a request by the Central Altona Football Club for teams to provide opposition for their Under 15 side during the remainder of the season.

The delegates present entered into a long, but interesting discussion on the problem of providing football for the overflow of youth in the districts covered by the League.

There were many suggestions, among these being—

A Seconds or Reserves competition be initiated to provide a game for the players who are just over the junior age limit yet not quite up to the senior's standard. This suggestion also included the lowering of the junior age limit to either Under 17 or Under 16.

The creation of an Under 15 competition to be played on Saturday morning and leaving the present competitions unaltered.

As the present junior competition has been a marked success since its inception in its present form, in 1953, it seems fruitless to make any amendment to it. There have been some good footballers who have gone into the seniors or further, and, by lowering

it to under 17 or under 16 this standard of football would naturally wane.

If a seconds competition was adopted, old players, who at the present time would refuse to make a comeback, would eventually come into these sides to make up the number required. By keeping an age limit on competitions other than the seniors it confines the field to the future footballers of the districts. When this is put in the melting pot, the younger player will always be more profitable to the League than the old player who is usually finished as a footballer. If he can't play in the senior competition he should retire.

An obstacle to be overcome for sides who anticipate entering a side in the new competition will be lack of finance.

Let us hope that whichever way the delegates at the next meeting decide, that the public who are living in these districts give the greatest of support to their respective teams. This move is, surely, a step for the better.

Heart Break Sts. in Nth. Altona

At this early stage of the winter, streets in large sections of Altona North are in a deplorable condition. Roads east of Millers Road and west of Cedula Road are particularly bad.

The water-logged roads which have some substance of metal are barely passable by motor cars, and then only at 15-20 m.p.h.

In some cases the usable part of the road is so narrow that a meeting of cars is to be dreaded. The churned-up mud on each side does not offer an inviting or safe opportunity for passing. The lot of tradesmen can only be imagined.

Pedestrians, whether they be residents proceeding to or from employment, mothers shopping, or school children, have absolutely no facilities.

In most cases there are no footpaths. The alternatives are the muddy or watery roads or the ruts, wet grass or mud alongside.

The drainage in most cases is either primitive or non-existent. This stagnant water accumulating on the flat areas could become a menace to health.

Admittedly the rainfall for May has been above average.

However, the merely normal winter rains will not improve the position.

Most of these areas are apt illustrations of the unwisdom of the policy of permitting subdivision approval before the making of roads.

Contrasting the conditions described in some heavily built up areas, were roads completed in hardly built on new subdivisions where prior completion of roads had been insisted on.

Little can be done to meet the situation. The very extent of the unmade roads make assistance impractical on a general scale.

Something, however, should be done in certain areas. The more heavily built up sections where traffic is the heaviest and the ruts are worse call for some form of temporary relief.

PENNANT WIN FOR KOORINGAL

In the final of the Victorian Golf Association Pennant last Saturday Koorungal played Croydon for the pennant in Division 4 and won the pennant 4-3.

On Wednesday, June 5, at a pennant dinner at the Victorian Golf Club the pennant was presented to the captain and team of Koorungal.

The team comprised Larry Moore, Rod Caithness, Bob Slater, John Oswald, Keith Hayes, Keith Le Fevre and George McArthur. Jack Heil was a reliable emergency. The club captain, Frank Norton, was the organiser of the team.

Incidentally, this is the first senior pennant that has been won by Koorungal.

The inspiration may have come from the juniors who won their section and brought a pennant flag home last year.

The senior team will be elevated to a higher division and it would appear that with the very good golfers offering they will win the higher division next year.

EDITORIAL

ALTONA COUNCIL

Shire President (Cr. A. W. Bond) in perhaps a facetious mood referred to the fighting councillors of Altona. An examination of the activities and frustrations of the council certainly suggests an aggressive spirit is rather called for.

The duties of Altona Shire Council is summarized as follows—

1. To administer the Local Government Act in the Shire of Altona; and
2. To maintain and advance the rights of Altona against the Government and extra-council bodies. Any criticism and commendation of this body must therefore come within these limits.

On the administrative side we have the shire offices near completion, additional play centres and kindergartens, assistance to lifesavers for extensions, the possibly controversial free kindergarten decision as examples, together with the undramatic functioning of routine services.

On two major matters the council has been over-ridden. Against its protests part of the shire was annexed to Williamstown. Its efforts to preserve what is considered a satisfactory area near Cherry swamp was also frustrated. No improvement in the local bus service was achieved. A strong case was made for an extension of the railway, no decision has yet been reached.

The Board of Works has at last been moved to what may be a permanent improvement of a portion of flood drainage problems, though our councillors are rightly resisting its attempts to retain Altona Park as a flood plain.

Future water supply pollution is being resisted on the initiative of our council. Air pollution is also being investigated. A groin for beach improvement is under consideration. Government responsibility for grading and drainage of school grounds should be insisted on.

The duties of the council are onerous. They call for the best from men or women of character and intelligence.

Three councillors, J. J. Ginifer, V. L. Hearn and S. G. McIntosh, are due to retire in August.

It is the responsibility of ratepayers to see that those most fitting are re-elected or elected in these positions. It is also their duty to appreciate the problems of councillors and give them all possible support.

Letters TO THE EDITOR

Sir,

Once again what should have been a pleasant Sunday afternoon at the football at Grant Reserve was spoilt by the actions of a crowd of obviously sub-normal young members of the community.

Taking advantage of the wet slippery surface of the reserve they put on quite a dangerous exhibition of how not to drive a car under those conditions.

One character in a small car with learner plates seemed determined not to be out done so drove one handed around the arena, leaning out of the car blowing a bugle and reached what I feel sure was the height of his ambition, when, in one of his skids he succeeded in knocking down two young girls in a particularly nasty mud patch.

Meantime another group, apparently feeling the effects of the contents of 11 empty beer bottles that were lying

beside their car, started a brawl in which no one was hurt, but culminated in a number of these "brave" little boys "sinking their boots" into their opponents car as he drove off.

I was at a match some weeks ago when a mob of these no-hopers on motor bikes knocked down a young girl, who I understand had subsequently to receive medical attention.

Now, sir, are we going to wait until some one is badly injured or worse, before action is taken to make one of Altona's attractions a safe place for decent young people and family groups to relax at a football match, or are we going to hand it over to a minority group who can best be described by the words of a Banjo Patterson poem—

"Their heads were flat, their eyes were dull, they had no brains at all."

GUIDES AND BROWNIES

All members and well-wishers of the Guides and Brownies are requested to support the Dog Competition at Grant Reserve on Sunday afternoon.

Guides, please wear your uniforms, there may be several sections in which you could help the organisers.

Ladies, could you bring something towards the afternoon tea or stall, as we want to keep expenses down and divert every possible shilling to the Guides Building Fund.

Don't forget to bring your dogs.

ALTONA HIGH SCHOOL

Students will be warmed up by the soup which is now available at the school canteen during morning recess. It will be served for the rest of the winter term.

The first inter-school sporting engagement, against Sunbury High School, was arranged for last Wednesday.

The girls travelled to Sunbury to play basketball, softball and tennis.

Footballers from Sunbury journeyed to Altona to play football at Altona High.

ALTONA WEST PRIMARY SCHOOL

The Altona West School Committee and Mothers' Club thought that last Saturday, June 1, and the first day of winter was indeed a beautiful day. Not only was the sun shining but there was that wonderful jingling sound that money makes when it is being gathered together by the boxful.

It was, of course, the occasion of the school fete when over £100 was made for school funds.

The head teacher, Mr. R. Walker, and the parent bodies associations with the school wish to thank all those who worked so hard over a considerable period of time to raise this much needed money.

Recently a very enjoyable and successful concert, organised by teachers under the leadership of the teacher of Grade 6, Mr. R. Laurie, was held.

Approximately 45 parents attended and a sum of \$42/6 was raised for school funds.

The next meeting of the Mothers' Club will be held at the school on Thursday, June 13, at 7.30 p.m.

COMMUNION

On Sunday, June 9, at 7 p.m., there will be a service for the Confirmation of Baptism for admission to the Lord's Supper.

This service will be conducted by the Rev. Dr. D. S. Hopkirk, M.A., B.D., B. Litt., Ph.D., principal of the Presbyterian Theological Hall, Ormond College, Melbourne.

Praise will be led by Mr. Lindsay Hunter and the choir of St. Andrew's Presbyterian Church, Williamstown.

At this service 12 new members will be admitted to full communicant membership of the church, and will take their first Communion on Sunday, June 16 at the 9.30 a.m. Communion Service.

oOo

UNDER AGE HOCKEY CARNIVAL

The under 15 hockey carnival will be conducted on the Grant Reserve by the Altona Hockey Club next Sunday, June 9.

Country teams have been entered for the carnival which will be played off in two divisions. First division will be playing for the Ford Cup and the second division for the Altona Cup.

Games will commence at 10 a.m. and as 600 parents attended the carnival last year at least this number is expected on Sunday.

In years gone by the Altona Hockey Club ran a senior hockey carnival annually. This was taken over by the hockey association and is now conducted by the association at Elsternwick Park, on every Queen's Birthday weekend. It will be held next Saturday and Sunday when teams will be competing for the Altona Cup for senior teams.

PERRY MASON NEVER WRONG!

Photographs depicting the progress of Altona will be shown during the advertising segments of "The Perry Mason Show."

How could Perry Mason lose a case when Altona is helping to sell his show?

Perhaps he is the answer to our air pollution problem.

If we invite Perry to visit Altona and represent the people against industry, how could we lose the case?

The show is being sponsored by a well-known firm of Real Estate Agents.

TRAVELLER RETURNS

Mrs. Elizabeth Barnes is returning to Altona after a six months holiday in England.

Mrs. Barnes who is 81 years old, travelled to England by herself to visit her three sisters.

She left England 40 years ago and went back for a visit approximately 16 years ago.

Next Saturday, June 8, she is returning on the "Oriana" to live with her daughter and son-in-law, Mr. and Mrs. V. Edwards, McBain Street, Altona.

PERSONAL

Mr. R. Erwin a teacher at the primary school in Epsom Street, Laverton, has returned to the school after attending a vacation school.

He was at a woodwork class at the Collingwood Technical School.

45th WEDDING ANNIVERSARY

To celebrate Mr. and Mrs. T. Weever's 45th wedding anniversary their daughter and son-in-law, Mr. and Mrs. C. Baldwin, held a party at their home in Blyth Street, Altona.

Mr. Weever is well known in Altona as he was formerly district officer of the Footscray area under the Metropolitan Fire Brigades. Altona is in this area.

DANCE NIGHT

Next Saturday night is the night for the monthly basket supper dance run by the Altona Working Men's Club.

8 p.m. is starting time and for those who want to enjoy themselves tickets are available from Mrs. I. Baldwin, 118 Blyth Street, Altona.

STREET STALL

The Altona High School Mothers' Club will be holding a street stall in Pier St., on Friday, June 21.

The club would appreciate any donations of goods for the stall. Gifts may be sent to school with students.

BUYERS WANTED

Friday, June 14, is the date for the street stall being conducted by the Altona Working Men's Club Associates.

Cakes, jams, children's clothes and gifts galore will be available.

Members have been working very hard for this effort, some in their own homes and others who regularly meet at Mrs. Madge Beattie's home for a sewing bee.

They are looking forward to your patronage.

WEDDING ANNIVERSARY

To celebrate their silver wedding anniversary Mr. and Mrs. J. A. Wall were guests of their elder daughter, Valerie, and her fiancé, Robbie Taylor, at the Savoy Plaza last Saturday night.

Also present were Mr. and Mrs. J. Byrne. At the wedding in 1938 Mrs. Byrne was matron of honour to Mrs. Wall, her sister.

A nice gesture was made by compere, Beryl White, when she invited Jack and Molly to have the floor to themselves while the band played the Anniversary Waltz. Jim Byrne said it was a better turn than the floor show. Jack's comment was, "At least we had room to dance that one."

SHY?

Is it true that a Laverton woman when speaking to a "Star" reporter turned shy and withheld the news that her husband had won a Sunday competition at Werribee Golf Club?

AN ORCHID FOR GRANDMA

To celebrate the birthday of Mrs. Winder senior, of 11 Upton Street, Altona, on Saturday, June 15, her daughter Linda and son-in-law Ken and their family hired a taxi and with Mrs. Winder she travelled into the Tivoli to see "Show Boat."

Before leaving a beautiful orchid was pinned to her coat by one of her granddaughters.

Mr. and Mrs. Oaks also celebrated their 23rd wedding anniversary with a night out with their family.

VISIT TO TYRE FACTORY

A visit to the Olympic Tyre factory was on the agenda for the Working Men's Club Associates last Monday night.

As well as being shown around the factory, an excellent film on the Rome Olympics was shown and this was followed by supper.

Each visitor was presented with a souvenir, some with tyre ash trays and others with novelty key rings to which was attached a tape measure inside a small tyre.

These novelties may be an inspiration to some of the club members who are renowned for their ability to reproduce anything which may be of saleable value on a stall.

PERSONAL

Usually after holidays we come back to work "fighting fit."

Not Mrs. Marj Spence. But we are glad to hear she is back on her feet again.

INDOOR BOWLS

Four teams from the Working Men's Club and a team from the Altona Bowling Club have joined the north Western Indoor Bias Bowls Association.

Eleven weeks of pennant bowling started last Tuesday night. Surely with this number of teams entered Altona can pull off the pennant.

HOLIDAYS

Mr. and Mrs. Carpenter and son John, of Laverton, have returned home after holidaying in Sydney.

SCOUT DANCE

The next scout dance will be held in the scout hall, in Civic Parade, Altona, on Saturday, June 29, at 8 p.m.

There will be a good supper and orchestra. Also novelty prizes will be given. Donation is 4/-.

STREET STALL

The street stall in Millers Road, North Altona, next Saturday morning will aid the funds of the Altona North Kindergarten Auxiliary.

Parents are asked to patronise the stall.

COULD THIS BE YOU?

It is against the policy of the Shire of Altona to hold door-knock appeals.

Recently a member of a club conducting a raffle went door knocking with raffle tickets.

Who was the very prominent councillor who, following a knock on his door, showed his approval of door-knocking by buying a ticket?

A wine taster asked his small child what he thought wine smelt like.

The child replied, "Stock food molasses."

A certain wife passed a test and was granted her car driving licence.

What price the husband who thought it time he "got around to" teaching his wife to drive—only to discover she was a licensed driver. Is this in the best interests of public relations?

Who said snakes hibernate in winter?

Not one mushroomer who went across the paddocks last weekend. It was a 3-foot tiger snake he found between his 9-year-old daughter's feet.

UNIVERSITY CAPERS

Some illustrious residents of Altona can now lay claim to fame by having attended Monash University.

What matter if it was only for one day?—last Saturday.

We hear of commencement day rags at our universities, but for our hopeful undergraduates this was their commencement day.

One inspired student decided to become a "bachelor gay" for the day and really played it up.

Why did one gentleman(!) have his tie cut off? By student standards was his dress considered too square?

BIRTHDAY PARTY

Friends and relatives gathered together recently to help Mr. Alf Keeshan, of the Explosives Reserve, Altona, celebrate his 60th birthday.

WINE, WOMEN AND SONG

A very informative talk on wines was given to members of the Apex Club at the Central Altona Hotel last Monday night.

Mr. F. S. McKeever, a wine advisory officer of the Wine and Brandy Producers Association of Victoria was the speaker.

The occasion was a general meeting and ladies night of the club, with which they combined wine tasting.

At the conclusion of the wine tasting members provided some light entertainment. Trevor Jobling and Ron Wilson sang. Frank Mallet and Noel Anthony amused the audience with a skit. Eric Symons and a member's wife, Shiela Foskett, accompanied the singers.

The evening was well rounded off when Trevor Jobling led the members in community singing.

"MY FAIR LADY"

As was anticipated there was a "full house" to enjoy "My Fair Lady" presented by the Altona Minstrels under the direction of Mr. H. Ferris.

It was a delightful show and all heartily agreed that Mr. Joe Hyde was outstanding as Eliza Doolittle. Surely the ladies at Ascot of the period could not have been of a more striking figure and as elegantly dressed and of such charm and dignity as the "ladies" on Friday evening!

During the interval Mr. W. Hyde gave such superb rendering of appealing songs that for the audience time passed too quickly.

The Minstrels' singing throughout was a joy.

The Elderly Citizens' club is looking ahead to when the building extensions materialize and these generous people are able to return and perform without the inconveniences with which they had to contend on this occasion.

I.N.F. TOO STRONG

I.N.F. v. METRO. FARM

I.N.F. proved they are worthy of the honour in the Werribee district of being the best side when they trounced Metro. Farm at the Soldiers' Reserve.

	I.N.F.	Farm
1st Qr.	1 4 10	3 3 21
2nd Qr.	7 7 49	7 3 45
3rd Qr.	12 11 83	10 5 65
FINAL	18 18 126	10 7 67

Farm settled down earlier than their opponents and established an early handy lead.

They received a lot of drive from their centreman Denis Cooney, who, at this stage, was doing better than Brian Smith. I.N.F. found it hard to find their forwards and it wasn't until late in the quarter that Henry Smith, from 50 yards out posted their first goal. Tony Brotto and John Aldersea, having the better of I.N.F.'s half-forwards, enabled Farm to have a three goal lead at the first change.

Soon after the commencement of the second term, a quick goal gave Farm supporters some confidence and it appeared they might trouble their undefeated opponents.

However, realising that the Farm were not to be taken lightly, I.N.F. lifted their game and with their small men scouting well gave their forwards many opportunities. Ron Carroll had kept Mick Craig right out of the game and although Craig missed two "sitters" in this quarter

he was not causing any trouble to the I.N.F. defenders.

I.N.F. attacked from the outset of the second half and with Smith gaining the initiative in the centre they looked the better side.

Jim Townsing found the going easier against Graeme Wigg and was back to his valuable best in the I.N.F. attack. It was all I.N.F. until late in the quarter when Eric Pengelly provided one of the highlights of the game by scoring a beautiful 70 yard goal.

What can be said of the last quarter when I.N.F. managed to score 6-7 to their opponent's 2 behinds after leading Farm by three goals at three-quarter time?

It was all I.N.F. Farm had lost all system in their play and I.N.F. showing why they are undefeated, ran out easy winners.

Best Players: I.N.F.: Sandford, Edwards, B. Smith, H. Smith and Selwyn. FARM: Steinberg, Martin, Brotto, Aldersea and Bryan.

Goalkickers: I.N.F.: Townsing 5, Pante and Dowling 3, H. Smith and W. Miller 2, Selwyn, B. Smith and Edwards 1 each. FARM: Martin and E. Pengelly 3, Bryan, G. Pengelly, Arch and Steinberg, 1 each.

ALTONA FAIL AGAIN

WERRIBEE SOUTH v. ALTONA

Altona received a set-back in their effort to make the final four when they went down to Werribee South at Chirside Park last Saturday.

	W. South	Altona
1st Qr.	1 1 7	0 0 0
2nd Qr.	3 5 23	2 1 13
3rd Qr.	5 11 41	4 2 26
FINAL	8 14 62	4 7 31

Both teams commenced the game in an even fashion, to emphasise this, the first score was not registered until approximately 20 minutes into the first term.

South were in command at the end of the first term, mainly because they were showing more purpose around the packs than their opponents.

South's usually disorganised forward line was the reason why they gained the advantage in the second term and it was only the brilliant defence of Ian Harris that Altona were within striking distance at half-time. Tom Stoios was damaging around the packs for South and ably supported

by Len Allison who was turning in his usual brilliant game in the centre, against Tisdale!

As the game progressed Altona fell further behind and South's hard bumping seemed to have won them the day. The first thing coach Reg Featherby should do on the training track is to teach the boys how to bump and bend to pick up a ball.

On Saturday they had been out bumped and had lost a lot of opportunities by foolish kicking off the ground.

Best players: WERRIBEE SOUTH: T. Stoios, R. Dove, B. Hayes, R. Miller and Garfield. ALTONA: Harris, B. Locke, Tisdale, Hogan and G. Newman.

Goalkickers: WERRIBEE SOUTH: T. Stoios 5, N. Stoios, Oldfield and Garfield 1 each. ALTONA: Rowson, Stephenson, Rohleder and Hogan 1 each.

THIS WEEK'S GAMES

With both sides undefeated, the main game on Saturday at Newport between Newport and I.N.F. should prove one of the best games witnessed in the Werribee League this season.

I.N.F.'s forward line relies a great deal on Townsing at the spearhead, but he may find it harder than usual against Alan Harris, who has been defending very well of late. However, centreman Smith should give I.N.F. the edge across the centre. Newport's attack has been suspect in earlier games and they depend on captain Jack Evans to boost this line when he is resting in the pocket.

I.N.F.'s strong but unspectacular backline led by Carroll should be able to hold Newport's attack to a losing score. Another problem which I.N.F. should have no serious trouble in overcoming is Newport's home ground advantage which tends to help the rugged game which Newport adopts.

Metro. Farm should return to the winning list when they meet Laverton at Laverton on Saturday. Laverton lack the brilliance in attack to outscore their opponents and Farm's attack should be too purposeful for Laverton's improving defence. The ruck duels should be interesting with Hall from Laverton playing well and giving his side many opportunities, and Farm's rovers giving their rucks an abundance of support.

Best players: NEWPORT: Jenkins, Muschialli, Withers, Ackerley and Sievwright. LAVERTON: B. Green, Hall, Grimes, Sewell and Bromley. GOALKICKERS: NEWPORT: B. Muschialli 7, Sievwright 4, Johnston 3, Young, Ackerley and Evans 2. LAVERTON: West and Taylor 1 each.

Dingey (Rovers and John Murrell (Centrals).

Brian Trevean was a capable leader for the home side and John Moore served Rovers well by kicking their only three goals.

Best players: CENTRALS: J. Murrell, Glynn, Trevean,

Greig and Peatling. ROVERS: Dingey, Davies, Moore, Chamings and Irange.

Goalkickers: CENTRALS: B. Trevean 4, Johnston 3, Peatling 2, Downley, Glynn and K. Murrell 1 each. ROVERS: J. Moore 3.

Werribee South are at home to Central Altona and should hold too many answers for the youthful Centrals.

Oldfield and Murrell should provide a highlight when they clash in the ruck but the former, with better rovers to help should prove the more beneficial to his side.

South need a good win to boost their percentage as they could have a good chance of making second place in the next few weeks.

With six crushing defeats behind them, Williamstown Rovers travel to Grant Reserve to meet Altona.

Altona were unimpressive last week against South but should be untroubled in this encounter. This game should be an easy one for the home side and they should use it as a solid "hit-out" for their battle for fourth place when they meet Metro. Farm the following week.

JUNIOR RESULTS FROM SUNDAY

ALTONA WIN BY 4pts

WERRIBEE SOUTH v. ALTONA

Grant Reserve was the venue for the very interesting Altona-Werribee South clash, which Altona won by four points.

	W. South	Altona
1st Qr.	0 2 2	3 3 21
2nd Qr.	1 5 11	4 4 28
3rd Qr.	2 8 20	5 8 38
FINAL	4 12 36	5 10 40

In the opening quarter the home side used the slight breeze to advantage.

They showed good direction in their approach and had a solid defence. South had a reliable ruck led by Michael Phelan but this was overshadowed by the vigorous Ronny Schwage. Altona had a comfortable lead at the first change and appeared set for an encouraging victory.

Although South played in front of their men in the second quarter they made just enough mistakes to allow Altona in to score a valuable goal into the wind.

Johnny Piovesan was the star of Altona and had it not been for his sensible dropping back into the goal square when his fellow forwards were taken down field Altona may not have led by three goals at half-time.

South were more determined when they commenced the third quarter and were beginning to come back into the game.

Bert Allison was starring as a rover and Laurie Brinkman was beginning to open up their forward line. Graeme Cummin, scouting well, revitalised Altona toward the end of the quarter and posted a valuable major which was to be the last they would score.

In a torrid last quarter South gradually overhauled the home side, but, again, Piovesan was their stumbling block.

Ricky Cannell was doing that was asked of him for South, but Altona's craft tactics of packing South's forward line was paying dividends and the siren rang just in time. Altona's defence had really been battered this quarter and had done a remarkable job to keep South at bay.

Best players: ALTONA: Piovesan, Cummin, McLean, Ewen and Bartolo. WERRIBEE SOUTH: Cannell, Brown, Allison, Hegarty and W. Edwards.

Goalkickers: ALTONA: C. Munro, McLean, Page, Clarke and Cummin 1 each. WERRIBEE SOUTH: Cannell 2, Brinkman and Allison 1 each.

Werribee Defeat I.N.F.

I.N.F. v. WERRIBEE

In adverse conditions for football, Werribee defeated a determined I.N.F. in a torrid struggle for supremacy at Chirside Park on Sunday last.

	I.N.F.	W'bee
1st Qr.	1 5 11	0 1 1
2nd Qr.	2 5 17	1 9 15
3rd Qr.	3 5 23	2 10 22
FINAL	4 6 30	5 13 43

I.N.F. quickly took the initiative and kicked the first goal through Baxter and they again attacked constantly, only to be turned out by Werribee's strong defence.

The second quarter saw frequent, but mis-directed attacks at goal by Werribee and they added 7 behinds from many deliberate attempts.

Play see-sawed in the third quarter with spasms of system and good marking, but

still I.N.F. retained the initiative and when they added goal early in the last term Werribee seemed finished, but with Martini returning to his brilliant best, and the entire side playing with purpose for the first time in the match Werribee cracked the I.N.F. defence, led by Richmond, and won by 13 points.

Best players: Werribee: M. Sheahan, Martini, Ward, O'Brien and J. Smith. I.N.F.: Richmond, Richens, R. Reidy, Baxter and Parker.

Goalkickers: WERRIBEE: Martini 2, J. Smith, C. and Kendall. I.N.F.: Baxter 2, Rigo and O'Keefe 1 each.

CENTRALS IN CLOSE WIN

WILLIAMSTOWN C.Y.M.S. v. CENTRAL ALTONA

In shocking conditions for football, Central Altona defeated Williamstown C.Y.M.S. by 15 points at Digman Reserve, Newport, last Sunday.

	Centrals	CYMS
FINAL	7 8 50	5 5 35

Central Altona's hard hitting defence and good teamwork enabled them to go to an early lead that kept them in the forefront for most of the day.

As the game developed, Town's defence began to improve but the damage had been done.

The second half was marred by a heavy ball, which had become waterlogged as a result of a lot of soccer tactics in the first half.

It was developing into a scrumbly affair and it was apparent that the early lead Centrals had established was going to prove too much for Town.

NEWPORT DEFEAT LAVERTON

LAVERTON v. NEWPORT

Newport continued their unbeaten run by easily defeating Laverton by nearly 20 goals at Laverton on Saturday.

	Laverton	Newport
1st Qr.	1 1 7	4 2 26
2nd Qr.	1 1 7	9 7 61
3rd Qr.	2 5 17	12 9 81
FINAL	2 6 18	20 15 135

Laverton surprised Newport in the first few minutes of the game by bouncing to an early lead.

But it was short lived, as Newport immediately closed the game up and from then on were in complete command.

John Hall was dominating in the ruck for Laverton and was receiving great support from second string rover G. Lyons. For Newport Tom Jenkins had control of the centre

and Brian Muschialli was really on the target at full forward kicking seven goals.

Laverton should be happy with the form of Noel West, who in his first game for a while really showed that he could develop into a real star in this competition if given the right opportunities.

Best players: NEWPORT: Jenkins, Muschialli, Withers, Ackerley and Sievwright. LAVERTON: B. Green, Hall, Grimes, Sewell and Bromley. GOALKICKERS: NEWPORT: B. Muschialli 7, Sievwright 4, Johnston 3, Young, Ackerley and Evans 2. LAVERTON: West and Taylor 1 each.

CENTRALS NOTCH THEIR 2nd. WIN

CENTRAL ALTONA v. WILLIAMSTOWN ROVERS

Central Altona scored their second win of the season when they trounced Williamstown Rovers at the Langshaw Reserve on Saturday.

	Centrals	Rovers
1st Qr.	2 4 16	1 2 8
2nd Qr.	5 7 37	3 3 21
3rd Qr.	8 8 56	3 3 21
FINAL	12 10 82	3 6 24

Centrals controlled almost every position on the field and the only worthwhile highlight in the game was the ruck duel between Bob

Objection to Re-zoning

At the Laverton Progress meeting Mr. Jackson asked East Riding councillors present at the meeting if the Werribee Shire Council was aware efforts were being made to have residential land at the corner of High and Railway Streets, re-zoned.

He said some people have made a move to lodge an objection but he feels the Progress Association should decide whether re-zoning of residential land is in the best interests of the town.

Mr. Jackson said there are two service stations in Laverton, one each side of the Highway, and personally he does not think it a good idea to have another. He would oppose re-zoning.

Points he stressed were—
1. It was not needed;
2. It would lower land values;
3. Annoyance to shift workers; and
4. Additional traffic would be drawn into Railway Street, mainly stock transports using the stockyards.

Mr. Jackson said he believed some people had objected to the plan but others had received incentives not to object.

He moved that the secretary of the Progress Association lodge an objection to the re-zoning as soon as possible. He pointed out that the closing date for receiving objections was very close.

The other members present agreed with Mr. Jackson's proposal and the secretary was instructed to attend to the matter.

WERRIBEE GOLF CLUB

LAVERTON MARCHING GIRLS

The results of the current special efforts were—

The Ad Astra's utility set was won by Mrs. Norton, 54 Maher Street, Laverton.

The Winged's dressed doll was won by Jan Sawyer, 12 Margaret Street, Werribee.

The Squadronaire's rug was won by Ian Coysh, Glenadale, East Gippsland.

The monthly meeting was postponed to Monday next, June 10. It would be pleasing to see parents at this meeting as a social committee will be formed.

1st LAVERTON BROWNIES NEWS (by Pera Green)

Last Saturday morning White Owl (Dist. Comm.) came especially to enrol Ann Booth, of the Gnomes.

It was very exciting when Ann walked down the flower lined path to the Magic Pool and then turned and walked back to the Toadstool, where White Owl stood waiting for Ann to make her promise.

When it was finished Ann was welcomed with a Grand Salute.

Ann's mother and father and little brother came over for the ceremony and the brownies were very pleased to see them.

Ann had the biggest Brownie smile we have ever seen.

STOCKYARDS CLEARED BY HEALTH DEPARTMENT

The Commission of Public Health has informed the Laverton Progress Association that the Laverton Stockyards are not a nuisance under the Health Act.

This report followed the inspection of the yards by a local inspector for the Commission of Public Health.

They also stated the yards were only to be used for very limited periods to hold stock while they were waiting road transport.

SCHOOL CLOSES

STAFFING CRISIS IN CATHOLIC SCHOOLS
On Monday, June 3, the Queen of Peace school, Laverton, was forced, through lack of teaching staff, to close its doors.

The school has four classrooms, but only one has been in use. Fifty-one Laverton children in the prep. class and classes 1, 2 and 3 have been attending the school.

Older children have been travelling to Altona to attend St. Mary's school.

For the past three months no effort has been left unturned in attempts to obtain teaching staff but to no avail.

Parents are now trying to enrol their children at the school in Werribee or at St. Mary's, but unfortunately both these schools are unable to take any more students.

St. Mary's at Altona has 570 pupils enrolled but is only staffed with eight teachers.

The Rev. Father J. Nooney, P.P., said there is a general staffing shortage throughout Catholic schools.

LAVERTON TROUCE NEWPORT

Following their good win against I.N.F. the previous week, Laverton continued on their merry way by trouncing Newport at home on Sunday.

	Laverton	Port
1st Qr.	6 3 39	1 0 6
2nd Qr.	6 3 39	2 3 15
3rd Qr.	10 6 66	2 3 15
FINAL	11 7 73	3 8 26

With many good players and a "slashing" rover in Johnny Pyne, Laverton were able to slam on six goals in the first quarter and score their second successive victory.

Andy Stewart was again the mainstay of the young Newport side and it was the talk of many at the game

why this lad is not playing senior football. Kevin Lynch in the ruck for Newport also played well, but the "never say die" attitude of Laverton was able to carry them to a very comfortable victory.

Best players: LAVERTON: Rigney, Pyne, Robertson, Williams and Vos. NEWPORT: Stewart, Lynch, Fitzpatrick, Taylor and Harrison.

Goalkeepers: LAVERTON: Rigney, Pyne 2, Jewell, Morrison and Williams 1 each. NEWPORT: Kite 2, Andy Stewart 1.

HEALTH DEPARTMENT APPROVES MEMORIAL HALL PLANS

The Department of Health has notified the Laverton Progress Association that plans and specifications of the proposed new Memorial Hall have been approved.

There are several minor alterations to the plans required by the Department but the Building Committee of the Association will attend to these.

Provided the Werribee Shire Council approve the plans the Association can now commence building the new hall.

HOSPITAL APPEAL RESULTS

The Lions Club of Werribee has written and thanked the Laverton Progress Association for the help they gave in conducting the door-knock appeal in Laverton in aid of the Royal Women's Hospital.

They stated the sum of £291 was raised in the Shire of Werribee for this appeal.

The Progress Association decided to act on the suggestion of Mr. J. Devereaux that they should inform the Lions Club that they would be only too willing to assist in future appeals of this nature.

LAVERTON SCOUTS

A working-bee of parents of Laverton Scouts has been arranged for Saturday and Sunday, June 15 and 16.

Committee members are hoping for a good roll up of helpers.

Piano Trouble

After much discussion on whether they should purchase a piano now the Laverton Progress Association did not come to a decision last Monday night.

The discussion arose following the tabling of a letter from a regular hirer of the Memorial Hall who asked for a reduction in the rental, as when they originally hired the hall it included the use of a piano.

Now, the vandals having smashed the piano beyond repair, they were without this facility.

Mr. J. Devereaux said the piano was a must as the Association had lost clients because there was no piano available.

Mr. Jackson was not so sure as with the lean of the building you have to dance up-hill and in any case it looks as though the hall would not be able to be used as it will fall over.

Mr. Monk said the darts club hope to hold a social soon but are thinking twice about hiring this hall because of no music.

Mr. Devereaux said the football club had to bring along their own piano.

Mr. Jackson asked for a comparison of hirings this year with previous years. He said there have been very few hirings this year. In any case he said they have only £65 towards the cost of a piano which would cost twice this amount and could they

take the risk of buying one and leaving it in the hall for the larrikins.

Mr. Monk said they have two regular bookings for the hall and the association wants to keep them, but a piano is needed.

Mr. Jackson had the last word on the subject by saying if another piano is put in this hall the vandals would wreck this one too. He prefers to wait for the erection of the proposed new hall before purchasing a piano.

As an aftermath the Association acceded to the request of the hirer for a reduction in rental.

LAVERTON GIRL GUIDES ASSOCIATION

On Wednesday, May 29 the R.A.A.F. Concert Band, under the direction of S/Ldr. Hicks, O.B.E., gave a most enjoyable evening's entertainment at the Station Cinema.

The proceeds from this concert go towards the building of the new guide hall. Mrs. Frearson, the district commissioner, thanked S/Ldr. Hicks for a wonderful evening and presented him with a special badge in appreciation of his support for the guide movement in Laverton.

A meeting of the local association of Laverton Girl Guides and Brownies was held at the Fleetway's Service Station on Monday, June 3, at 8 p.m.

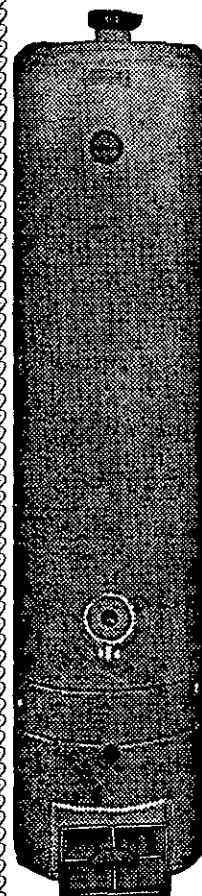

Those present were Mrs. Jines, Mrs. Frearson, Mrs. Sewell, Mrs. Woolmer, Mrs. Mullett and Mrs. Moss.

There is such a lot of work to be done by the L.A. in the future, and they would welcome a few more parents at the next meeting to be announced later.

Good win in Baseball by West Newport

The A Team showed a distinct return to form with a 9-3 win over Newport Baptists at Spotswood last Saturday. The B Team kept their finals chance alive with a good win over Avondale Indians, and the Juniors showed an improvement by tying 3-3 with third team Port Melbourne.

A TEAM

West Newport went to a good lead when they batted in four runs and kept Newport Baptists scoreless in the second innings. An error in the third innings allowed the Baptists to score two runs.

With Tony Michael pitching well to Alan White, who replaced regular catcher Jim Michael when unable to play. West Newport held the Baptists. The play of the infield improved considerably, only three errors were made for the day.

West Newport scored four more runs in the eighth innings, and held on for a good 9-3 win.

Tony Michael struck out 11 batters to bring his total for the season to 56.

Safe hits: Chris Apostilides 3, Alan Solomano, Alan White and Kevin Michael 2 each, John Armstrong and Tony Michael 1 each.

Best players: Chris Apostilides, Tony Michael and Alan White.

B TEAM

By defeating Avondale last Saturday the B Team has now moved up to fifth place.

A big improvement was shown by the B Team. Bunting and fielding was good. No errors were made by the side all day.

Three juniors had to be played to enable a side to be fielded, and they scored five of the eight runs between them.

Don Bearman again played very well and got 14 put-outs at first base.

Safe hits: Alec Parker 4, Don Bearman, Nick Toskas, Duncan Swallow and Terry Forrester 1 each.

Best players: Alec Parker, Don Bearman and Nick Toskas.

JUNIORS

The Juniors at home, played very well by drawing with Port Melbourne 3 each.

The team combined well with very few errors and showed a big improvement as the result shows.

Don Henderson again caught well to Terry Forrester. This team will now have to play hard to get back into the four this season.

Best players: J. Little, C. Apostilides and W. Balcum. Safe hits: D. Henderson, C. Apostilides and W. Balcum.

THIS WEEK'S GAMES

The A Team will play Preston at Preston at 2.45 p.m.

The B Team will play Coburg at West Newport at 12.30 p.m.

The Juniors will play Carlton at West Newport at 9.30 a.m.

PLAYERS WANTED

More senior players are still needed by the Club and any one interested is asked to attend practice at 9.30 a.m. on Sunday morning at Loft Reserve, Maddox Road, West Newport.

TABLE TENNIS NEWS

ANNUAL TOURNAMENT

Entries are now being received for the 1963 annual tournament, to be held at the centre, Garden Street, Williamstown, during the week July 15-22.

The tournament comprises 17 events, including singles, doubles and handicap events in grades A, B, C, and D. To cater for the increased interest shown by the ladies, a ladies singles, doubles, mixed doubles and handicap events will be conducted if sufficient entries are received.

If there are any ladies in the western suburbs area who aspire to competition or tournament play, they are invited to call at the centre any evening over the next few weeks; it is possible that a ladies' group or club may be formed, with a regular practice night, and social or competition games to follow.

Further information on the tournament is available from secretary Alby Walker, phone 65-6836, or Jack Wylie, phone 65-6863.

and E. Mullens. Sunday's Stableford competition saw R. Don (16), with 35 points, win from D. Turner (14), 34 points and A. Walker (8), 32 points.

ALTONA HOCKEY CLUB NEWS

A Grade.—Once again the seniors have disappointed. Inaccuracy by the forwards lost them the game in the first half.

Muddy conditions did not suit Altona but this was no excuse for the result.

Final scores: R.A.A.F. 2, defeated Altona.

Goal scorer: D. Stevens.

Best players: A. Baillie, J. Bartlett and E. McCauley.

B GRADE.—In a game marred by accidents, Altona were lucky not to suffer their first defeat at the hand of Ivanhoe.

The game was very ragged with the body being used freely and this allowed Ivanhoe to score the first goal, and at half-time the scores were level 2 all.

In the last half Ivanhoe attacked consistently, only to be forced out by the Altona defence.

Final scores: Altona drew with Ivanhoe 3 each.

Goal scorers: K. Burgess 2, A. Docker 1.

Best players: J. Gordon, C. Turner.

C GRADE.—After struggling to keep the National Bank forwards out early in the first half the defence combined well with the forwards to give Altona a 2-0 lead at half-time.

Ten minutes to go and Altona relaxed under pressure to allow National Bank to score 1 goal.

Final scores: Altona 2, defeated National Bank 1.

Goal scorers: A. Wiebanga and S. Hyde.

Best player: J. Gardner.

UNDER AGE HOCKEY

UNDER 15 were defeated 3-1 by Fairfield, the local boys found their opponents too big and too talented.

Early in the game Fairfield went to a 3-0 lead, mainly because the Altona wing-halves did not cover their man, this left a big gap in the defence and John Golden had a torrid time in goals.

After half-time Altona lifted their game and a determined piece of play by Ross Ford and a nice pass to J. Hunter, who made no mistake registered Altona's only goal. Altona battled on gamely and had their bigger opponents floundering as the final whistle sounded.

Goal scorer: Jeremy Hunter.

Best players: John Golden, Harold Benedierks, Jeremy Hunter and Ivan Neale.

UNDER 13 were defeated 3-1 by Footscray. The game was even at half time and neither team had scored.

Three forced changes at half-time weakened Altona and Footscray netted three goals, avenging a defeat Altona had inflicted earlier in the season.

Goal scorer: Keith Gathercole.

Best players: Brian Smith, Richard Lukoszek and Brian Antonoff.

THIS WEEK'S GAMES

Owing to the long weekend there will be no senior penant games. Instead there is the annual event the Altona Cup at Elsternwick Park. The games are held on Saturday and Monday.

On Sunday at Altona's hockey ground 24 under 15 teams will take part in the Junior Altona Cup.

On Saturday Under 15 v. Greensborough away at 9.30 (leave Post Office at 8.30).

Under 13 v. Kew at home at 10.30 a.m.

ALTONA LADIES HOCKEY CLUB

E GRADE played a magnificent game and defeated National Bank 9-0.

They would have had another four goals to their credit but for the umpire's dubious decisions.

Best players: The whole forward line and E. Bright on the back line.

C GRADE had a bye.

THIS WEEK'S GAMES
No matches this Saturday owing to country weekend.

SHIRE PRESIDENT
BERATES FLOOD VICTIMS

The shire president (Cr. A. W. Bond) became quite heated during a discussion on relief for victims of the flash flood in January.

At the council meeting on Tuesday night Cr. W. G. Cresser had asked the shire secretary (Mr. J. W. Waters) if he had any further information on recompense for those who suffered damage during the flood.

Mr. Waters replied that the 10 residents who made formal application for relief were all interviewed by an officer of the State Relief Committee last Friday. It is the State Relief Committee which assists in times of disaster like bushfires and floods and the welfare of the community.

It was when Mr. Waters mentioned that only 10 residents had applied for relief that Cr. Bond voiced his disappointment in the citizens of Altona.

He said during the flood many complaints flowed into the council offices and the council went to a lot of trouble to try and get aid for the victims.

But of these victims only 10 bothered to apply for relief.

Now, as it has become known that these applicants have been interviewed by the Committee others have decided to "jump on the band wagon" and make the necessary application.

Cr. Bond said these people were asked to co-operate but they did not see fit to bother about it.

He pointed out that residents are not backward in slating councillors but when councillors do their utmost to help the people it is very frustrating when these same people do not co-operate.

ALTONA PEDAL CLUB
NEWS

Owing to the bad weather last Sunday the Oak Park Rally was cancelled.

As yet the club has not been notified if the rally will be held next Sunday, June 9. All members are asked to report to Mr. Winn before Saturday to find out if the rally will be held, and what arrangements have been made for Sunday.

KOORINGAL GOLF
ASSOCIATES

After having a wet Wednesday on the previous week, the day's outing at golf was very welcome. An 18-hole stroke competition was held and won by—

A Grade: Mrs. O. Miller with 74 net on a 16 handicap.
B Grade: Mrs. C. Kimm, with 73 net on a 29 handicap.

UNROADWORTHY CAR

Robert Allison Cummings, Civic Parade, Altona, was fined £10 for driving an unroadworthy car in Pier Street, Altona, on March 8, 1963.

Constable Keegan said he examined the car and found no red covering over the tail light, no brake light working, hand brake not working and the foot brake not working properly. One bald tyre on the rear wheel had the canvas showing through.

THE D.L.P. SAYS . . .

Before the arrival of the colonists, this country was owned and peopled by the ancestors of the 128 aboriginals remaining in the Lake Tyers reserve.

Recent events, including the resignation of Pastor Doug Nichols from the Aborigines Welfare Board, have drawn attention to the state of the dark race that has been dispossessed.

Pastor Nichols wants the Lake Tyers aborigines set up as independent farmers and he fears over-hasty "assimilation" under the official policy.

The purpose of reserves and mission stations in Australia is for the care, welfare and advancement of the aboriginal people. As the standards of the aborigines improve, then the need for them will lessen, but they will be required for a long time yet; as will the need for special schools for the young children coming from a primitive background, particularly in the north.

Given equal opportunities, the aboriginal is as capable as any other human being. In their native realm they

have achieved extraordinary skills and the work of the artists of the Arunta tribe is known all over the world.

The advancement of these people does not rest with Governments and mission alone but also with the individual Australian. We have to make them at home in the community by our positive action as their friends and neighbours.

"Good neighbour council" have done very valuable work to assist European migrants during the post war years. Why not a communal and individual effort to assist the "Old Australians" still living in our midst?

POLYANTHA AND THE NEWER VARIETIES OF
ROSES ALSO AVAILABLE

THESE INSTRUCTIONS ARE APPLICABLE TO ROSES AND FRUIT TREES, OR ANY OTHER BARE-ROOTED DECIDUOUS TREES

When you receive your plants heel them into damp soil so as to prevent the roots from drying out.

When you are ready for planting dig a hole large enough to take each plant. Make a small mound in the centre and sit your plant on top, with the roots tapering evenly down the sides. Firmly tread in some good garden soil around the roots and water well. A good practice with standard roses is to put a stake in first.

Above all, be sure that all grafts are clearly above soil level and keep any manures away from these plants for the first 12 months.

LABOR VIEWS

(This article has been supplied by the Central Executive of the Australian Labor Party.)

The Australian Labor Party has always been opposed to communism and all forms of totalitarianism. It is a democratic party, which has done more than any other to strengthen the institutions of a democratic society.

The Communist Party, on the other hand, has always set out to destroy the Labor Party. Naturally, they pretend to favour its existence and to support its policies. This is simply a smoke-screen to cover their real objective.

Whenever Communism has come to power, the first people to be removed from office, and in some cases exterminated, have been the democratic socialists.

All parties opposed to the Labor Party have always set out to smear it. The Parties of the right such as the Country Party, Liberals and the D.L.P. accuse it of being Communist. At one and the same time, the Communist Party accuses it of being reformist, right-wing and bourgeois.

Recently, the Liberal Member for McKella in New South Wales, Mr. Wentworth, accused the Victorian A.L.P. of being "infected" with Communism. Only a few days before the leaders of the Communist Party, Messrs. Sharkey and Gibson, had attacked the Victorian A.L.P. and called for an outright campaign against it.

This coalition between the right-wing and left-wing elements in Australian politics is nothing unusual.

When the Labor Government of Chifley and Curtin were in office, both the LCP and the Communist Party combined (not officially of course) to bring that Government down.

The D.L.P. later emerged as the so-called champion against the existence of Communism. That too was a smoke-screen. To achieve their ends, the leaders of the D.L.P. used Communist methods of subversion and infiltration to gain control of the Labor Party. When they failed, the D.L.P. pursued the age-old tactic of all extreme parties of smearing the A.L.P.

When every other political group is falling apart, the only one which remains united is the Australian Labor Party. The Liberals are squabbling with the Country Party. Within the Liberal Party, there is grave dissension over the successor to the present Prime Minister. The D.L.P. is rapidly losing support and is in the middle of a brawl of whether or not it should continue to exist.

The Communist Party is fighting out the issue of China versus Russia. To cover up all their internal troubles, these parties step up their campaigns of slander against the Australian Labor Party.

KINDERGARTEN TELEPHONE DELAY

The P.M.G. Department has advised the Altona Shire Council that telephones are about to be installed at the new kindergartens in Somers Parade and Collins Ave.

However, because engineering works are required before either service can be made available at the other two new centres it may be 12 months before Seaholme kindergarten requirements can be met and nine months before Altona North centre at 384 Blackshaws Road can be provided with a service.

Cr. S. McIntosh suggested a letter be written to the Department asking what technical problems which will delay the telephone services for 12 months are involved.

Cr. H. W. Lee suggested if a S.P. bookmaker started up in the vicinity of the kindergartens the phones would be connected.

Cr. G. den Duik agreed a letter should be sent to the P.M.G. and seconded Cr. McIntosh's motion. The motion was carried.

EDUCATION WEEK

Education Week for 1963 will be observed throughout the State from Sunday, August 18 to Saturday, August 24, 1963, both days inclusive. Sunday, August 18 will be observed at Education Sunday.

The guiding theme for this year is "Education—Whose Responsibility?"

During Education Week each primary school will, at least, arrange an open day or open night and it is estimated that over half a million parents and others interested will visit our schools during that week.

As an election draws nearer the campaign will be intensified.

It nearly failed in December 1961, when the A.L.P. came within one seat of Government. It failed in Broadmeadows where the A.L.P. campaign swept the L.C.P. out of office.

It will fail again.

CRESSER RESERVE KINDERGARTEN

Some time ago the British Migrants Welfare Association donated the land for this reserve to the Altona council. They believed it would be reserved for recreational purposes.
 On the Shire of Altona Master Planning Scheme the area is painted green indicating a public open space. There is no restriction on the title governing its future use.

Recently the council erected a kindergarten on part of its area. In addition the open drain to the sea makes it necessary to raise the height of the railway. This further meant the transferring of a strip of land 33' wide to make a required increase in the railway area—a bridge is necessary. Huts were also erected.

Mr. Con York, on behalf of residents of the area wrote to the council about its use for other than recreational purposes.

The council's reply pointed out the kindergarten provided recreational and health training facilities for the children. In addition play ground equipment would also be erected. The railway position was explained and he was informed that the huts were temporary quarters to be removed on completion of the works.

Mr. York appreciated these points and wrote thanking the council.

He expressed the hope that Parkside Crescent and Kim Reserves would soon be levelled and available for sport. His reply was referred to the Parks and Foreshore Committee.

FEDERAL MEMBER TO VISIT ALTONA

The Federal Member for Lalor, the Hon. Reg Pollard, will be visiting Altona to address the local branch of the Labor Party.

Mr. Pollard's address will concern his recent visit to Europe for talks on the problem of the Common Market.

The meeting will be held at the No. 1 committee room, Queen Street, Altona (opp. the council chambers) at 8.45 p.m. on Thursday, June 13.

All members of the branch and all those interested in hearing this most informative talk are invited to attend.

WERRIBEE FOOTBALL LEAGUE DELEGATES MEETING

It was proposed at the Werribee Football League Delegates meeting last Friday to inquire into the staging of a presentation night at the end of the season. With approximately 10 awards to be presented, an occasion as suggested, would be more suitable than the usual presentation at the half-time interval of the grand final.

In 1955-56 a W.F.L. Ball was held and was financially unsuccessful. On these occasions, it was obvious that the expensive manner in which the ball was staged was too lavish for the reward received from admission charges. But this year, the possibility of the recipients of trophies being spread out over several clubs, the chances that more people will attend whatever function is decided.

A smoke-night is also certain to receive deep consideration and whichever is decided upon the League is optimistic that public response will be sufficient to cover all expenses.

* * * *

Delegates also discussed the refusal of the Laverton Juniors coach to cast his votes for the Howard Parish Pty. Ltd. Award.

It was decided to instruct him and any coach in the future that they must award no matter what circumstances the game is played under.

* * * *

For the inter-league matches the delegates decided that Central Altona jerseys would be worn by the senior team and Altona jerseys by the junior team.

ALTONA SPASTIC AID

A special meeting will be held on Tuesday, June 11, at 9 Upton Street, Altona, at 1.30 p.m.

Mrs. Andrews, secretary of the Chis-lon Spastic Centre at Seddon, will give an interesting talk on spastics, their needs and also the work being done at the centre.

Owing to the increased number of spastics attending daily it has been necessary to approach the local council for land so that a centre can be built here, otherwise children will need to be sent away.

Anyone interested in this interesting work would be very welcome.

A street stall will be held in Pier Street, on Saturday, June 29. If you can spare materials can be obtained from the secretary, Mrs. L. Oakes, 9 Upton Street Altona.

If you can bake or make preserves we will be glad of them, or perhaps you may have white elephants of no further use. We will gladly accept any gifts whatsoever. Please help us to help those who cannot help themselves.

HEALTH INSPECTOR NEEDS ASSISTANCE

In his report to the Commission of Public Health the Medical Officer of Health (Dr. J. H. Leydon) said, in his opinion, the solution to the problem of improvements in many registered premises rests with the appointment of an assistant to the Health Inspector (Mr. J. Mellors).

The Altona Shire Council has notified the Health Department that followed consideration of Dr. Leyden's report the council directed that as much clerical assistance and other assistance be found to relieve Mr. Mellors of mundane duties so that he could spend specifically more time on strict health matters. This has been done and the matter will come up for review when staffing is reviewed in September and the Estimates are being framed.

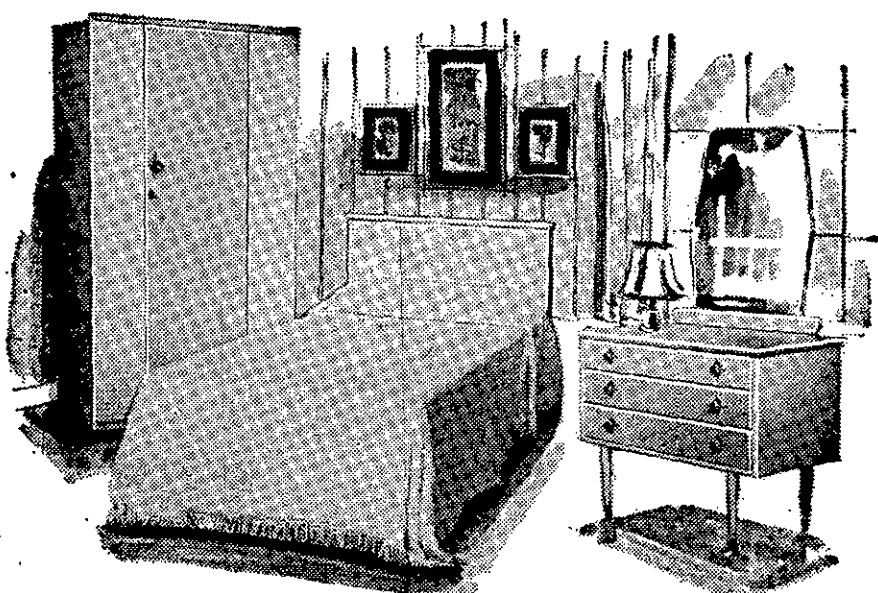

KINDERGARTEN RE-OPENS

Laverton mothers of pre-school children were pleased to see the kindergarten re-open last Tuesday.

The kindergarten had been closed for some weeks following a car accident in which the directress was injured.

ALTONA HIGH APPLIES FOR MATRICULATION LEVEL

The Altona High School has applied for a matriculation class to commence at the school in 1964.

Usually a minimum of 30 students intending to study for matriculation is required. The school has the space but would require more staff to adequately teach the students.

The Education Department has stated each case is treated on its merits and they have made no decision regarding Altona as yet.

If the request is granted it would be a considerable advantage to the students to be able to finish their secondary education at the one school.

COUNCIL ITEMS

The following requests to the Altona Shire Council have been referred to the Parks and Foreshore Committee for consideration.

The Altona Football Club by means of working-bees, is about to repair and paint the existing pavilion on the Grant Reserve and has asked the council if they could help by supplying the necessary materials. They also asked for any tables, chairs, benches drawers or old timber of no further use to the council which could be used to improve the building.

The Altona and District Branch of the Air Force Association applied to the council to be received as a deputation to present to the council an application for a block of land in the district on which to build future association clubrooms.

Approval has been given for the following street stalls—Friday, June 21, Pier Street—Altona High School Mothers' Club. Friday, November 22, Pier Street — Presbyterian Ladies' Guild. Saturday, June 8, Millers Road—Altona Nth Kindergarten Auxiliary.

LIFE SAVING MEDALS PRESENTED AT SEAHOLME

At a special assembly of the Seaholme School the following children were presented with Royal Life Saving Intermediate Star Medals, gained in March, at the Williamstown Baths—

A. Vaseo, P. Burgess, P. Thatcher, M. Thorn, R. Briscoe, J. Walker, and Kaye Stirling.

The senior instructor, Mr. J. Butterfield, presented the medals.

ELDERLY CITIZENS'

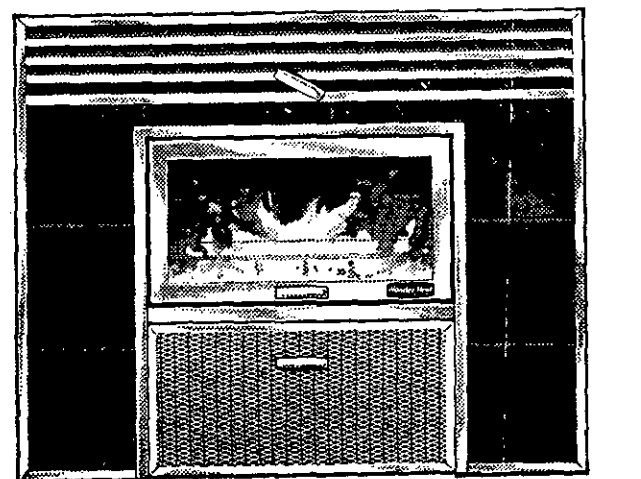

On Wednesday, June 12, at 8 p.m. at the Elderly Citizens' Centre, 2 Sargood Street, Altona, the Williamstown Orchestral Society will present a program of popular selected orchestral music, instrumental and vocal solos.

The club is hoping for another good gathering to enjoy the evening in comfort, and at the same time help by donating to the building fund.

The quarterly meeting will be held at 2 p.m. on Wednesday, June 12.

MARCHING WITH THE GIRLS

MEET THE TEAMS—WEST NEWPORT
FLAMINGOES—MIDGET GRADE

First formed in 1959, they have the best record
of any midget team ever produced by Victoria. They
have won both the Metropolitan and the Victorian
Championships for the last two years and were
runners-up the year before. They have also produced
the State Champion Leader in the midget grade for
the last two years, both girls taking this honour in
their first year as leader.

The instructor is Mr. E. Jorgensen, an ex-Navy man,
and now a locomotive driver
with the Victorian Railways,
and the chaperon is Mrs. E.
Jorgensen, who has been with
the team since it was first
formed, and is well-known
throughout the area for her
social work.

Team members this season
were—

T. Jorgensen (leader), J.
Jorgensen, I. Zilveris, J. King,
J. McLaren, J. Proud, N.
Taylor, C. McKay, S. Dorrington,
P. James, R. Tobin, G.
King, C. Hansen and B.
Kalisz.

During the season they
took first place 35 times,
were second twice, and third
once. They concluded the
season by competing in the

Australian Championships' in
Sydney, where at their first
attempt at Interstate honours
they were placed third in one
section, fifth in two sections
and sixth in another. The
medal won for the third
placing was the first ever
won by a Victorian team for
marching drill.

The leader won her section
six times, was second twice
and third once, she also
finished fifth in the Australian
title.

Five girls move up to the
junior grade next season, hav-
ing reached the age where
they can no longer compete
as midgets. They are—

Iris Zilveris, Christine Mc-
Kay, Sandra Dorrington,
Patricia James and Barbara
Kalisz.
